

***FULL TIME FACULTY OPENING IN EARTH SCIENCES  
At Universidad de Los Andes  
Bogotá, Colombia***

Universidad de los Andes seeks applications for one full-time faculty position in the Department of Geosciences. Universidad de los Andes is located in central Bogotá, Colombia. It is the 5<sup>th</sup> highest ranked University in Latin America by the *Times Higher Education Rankings 2017*, with a student body of 13,500 undergraduate students and 3,000 graduate students. The Geosciences Department currently consists of ten full-time research and teaching faculty.

Applicants are required to have a Ph.D. degree in Earth Sciences, ideally with two years postdoctoral experience and demonstrated capabilities to lead a scientific research program and/or extensive and relevant industrial experience. All candidates must have a record of significant and innovative research, documented by peer-reviewed publications.

Applicants with a background in all areas of Earth Sciences will be considered. We specially encourage applications from candidates with a strong background in metamorphic petrology and its applications to the geological, economical and environmental aspects of mineral resources.

The successful candidate will be expected to develop and maintain a vigorous, externally funded research program; teach courses at undergraduate and graduate levels in English or Spanish; supervise undergraduate, masters, and doctoral level research conducted by students; contribute to departmental and University administration; and support outreach activities. It is anticipated that the appointment will be made at the Assistant Professor level. However, higher level appointments will be considered on an individual basis for applicants with appropriate qualifications.

Applicants should submit a cover letter, a curriculum vitae, a clearly defined research proposal, a teaching statement, and contact information of three referees. These should be submitted in a PDF file to the following e-mail address: [director-geociencias@uniandes.edu.co](mailto:director-geociencias@uniandes.edu.co)

Questions related to the positions should be addressed to the Chair of the Geosciences Search Committee, Program Director, Dr Rodrigo Marin, at [r.marin58@uniandes.edu.co](mailto:r.marin58@uniandes.edu.co).

Review of applications will begin immediately and will continue until April 30<sup>th</sup>, 2018 or until the position is filled. The starting date is preferably August, 2018. More information about the department can be found at <http://geociencias.uniandes.edu.co>.
